

Find the model that's right for you by telling us a little about your current setup:

I already have an iPod or iPhone connection in my car - all I need is a spec.dock.

I'm looking for an iPod or iPhone connection for my car and a spec.dock.

Spec.dock is simply the best way to use Apple's portable media devices in your vehicle and provides a seamless link between your music and your vehicle with no messy wiring or tacked-on accessories.

Please browse our product lineup to learn more about what's new for your particular vehicle! If you have any questions, please feel free to contact us directly - 1.877.488.2788.
